in London, Ontario **Save A Family Plan** continues to support the poor in India. **Save a Family Plan** is partnered with 75 Catholic Social Service Societies and religious congregations across 14 states in India. It is almost hard to believe that over 20,000 families and 53,000 community-based organizations are supported each year through the humble office in the basement of St. Peter's Seminary in London. Word of mouth advertising remains the primary way that people learn about **SAFP**, and helps to ensure that 100% of donations reaches those most in need. Less than 1% of our budget goes to advertising. For further information about the projects **SAFP** is currently involved in, please check the website at www.safp.org or blog <http://saveafamilyplan.me>
